

**Name**

Ms. K. Kumari

**Designation**

Junior Scientist

**Qualification**

M.Tech (Chemical Engineering)

**Experience**

03-01-2013 – 17-05-2013

JRF

N.S.T.L (Visakhapatnam)

20-05-2013 – till date

Jr. SCIENTIST

ARCI (Chennai)

**Research areas of interest**

Synthesis and characterization of battery materials, Thermal management on Li-Ion batteries, Rheometry measurements, Production of Li-Ion Batteries.

**Conferences and Workshops**

- 1) A five day workshop on “Advances in separation processes” in Gayatri Vidya Parishad College of Engineering.
- 2) A national workshop on “Recent trends in chemical engineering and Bio Chemical Engineering” in Andhra University College of Engineering .
- 3) A five-day academic exhibition in Andhra University College of Engineering.
- 4) “Advanced optimization techniques” conducted by Mechanical Engineering Department in Gayatri Vidya Parishad College of Engineering.

**Contact Address**

Centre for Automotive Energy Materials, ARCI, IITM Research Park, Tarmani,  
Chennai - 600 113

Phone: 044 66632820
