SUMMER RESEARCH INTERNSHIP PROGRAMME FOR STUDENTS - 2026

About the Programme:

ARCI conducts a full time SUMMER RESEARCH INTERNSHIP PROGRAMME (SRIP) for students every year at campuses in Hyderabad and Chennai. Initially, students selected for the program at ARCI (Hyderabad Campus) will undergo a week-long orientation programme. Subsequently, each student will be assigned to a scientist working on one of ARCI's ongoing R&D programmes for conducting/assigning an independent mini project. Students are allotted projects depending upon ARCI's requirements. At the end of the programme, students have to submit a report detailing the research work carried out. All students whose performance is satisfactory are issued a participation certificate upon submission of the report.

No. of Students: A maximum of 50 students will be selected for the SRIP.
