

One-Day Workshop on Advanced Ceramic Processing and Fabrication

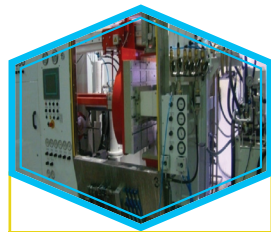

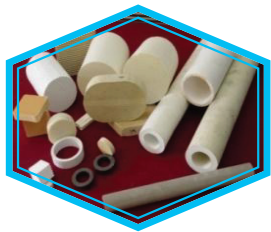

Organized by
**International Advanced Research Centre
for Powder Metallurgy and New Materials (ARCI), Hyderabad**
&
The Indian Ceramic Society, Hyderabad Chapter

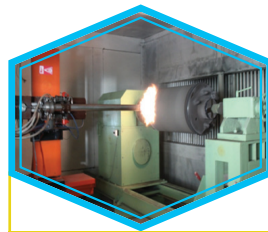

Date: 12th December, 2016
Venue: G. S. Bhattacharjee Seminar Hall, ARCI, Hyderabad

Workshop will be arranged at ARCI, Hyderabad an autonomous R&D Institute of Department of Science and Technology (DST), Govt. of India, set up with a mission of unique, novel and techno-commercially viable technologies in the area of advanced materials. Workshop will focus in the morning session on the theoretical and interactive sessions on practical issues on the state-of-art ceramic fabrication techniques such as pressure slip casting, SPS processing, non-oxide ceramic processing, ceramic coatings and product development. Afternoon session will be dedicated to demonstration of the component shaping/coatings on pilot scale facilities of the Centres of Excellence at ARCI by the experts with hands on experience in the field.

Pressure Casting
Machine

Detonation Spray
Gun

Spark Plasma
Sintering Facility

Registration Fees for One-day Workshop on 12th December 2016 (60 participants on early bird basis)

Members & Academic Participants	Rs. 1500
Non-Members & Industrial Participants	Rs. 2500
Students	Rs. 500
Overseas Delegates	\$100
