

Name

Mr. Sajeev V C

Qualification

B. Tech (Electrical & Electronics Engg)

Designation

Technical Officer – C

**Experience**

21 Years

Research Areas of Interest

Renewable energy, Waste heat recovery, Power quality, Energy auditing and conservation

List of Journal Publications

1. V. C. Sajeev, D. Sivaprahasam, A. Sivakumar and R. Sundaresan, "The Origin of High Green Strength in Warm Compaction", Powder Metallurgy in Automotive Applications- II, p 143-158, 2002
2. V. C. Sajeev, A. Sivakumar and R. Sundaresan, "Effect of Particle size on iron powder compacts for power frequency AC magnetic applications", Thirtieth National Powder Metallurgy Conference and Annual Technical Meeting January, 2004
