

Mr. M. Srihari, Technical Officer-C

Qualifications

Diploma in Mechanical Engineering

Experience

20 years experience in operation and mechanical maintenance, CVD, sintering furnace, CIP, and hot press, 1500 T hydraulic press. Also, gained expertise in development and upscaling of reaction bonded (RB) and pressure-less sintered silicon carbide for mechanical seals and wear parts, silicon carbide-based composites for wear resistance applications.

Research area of interest

Development of boride, carbide, and nitride based non oxide ceramics for structural, optical and solar thermal applications.
